NEW COLLECTION 2025

Floor : BELA SAND Matt

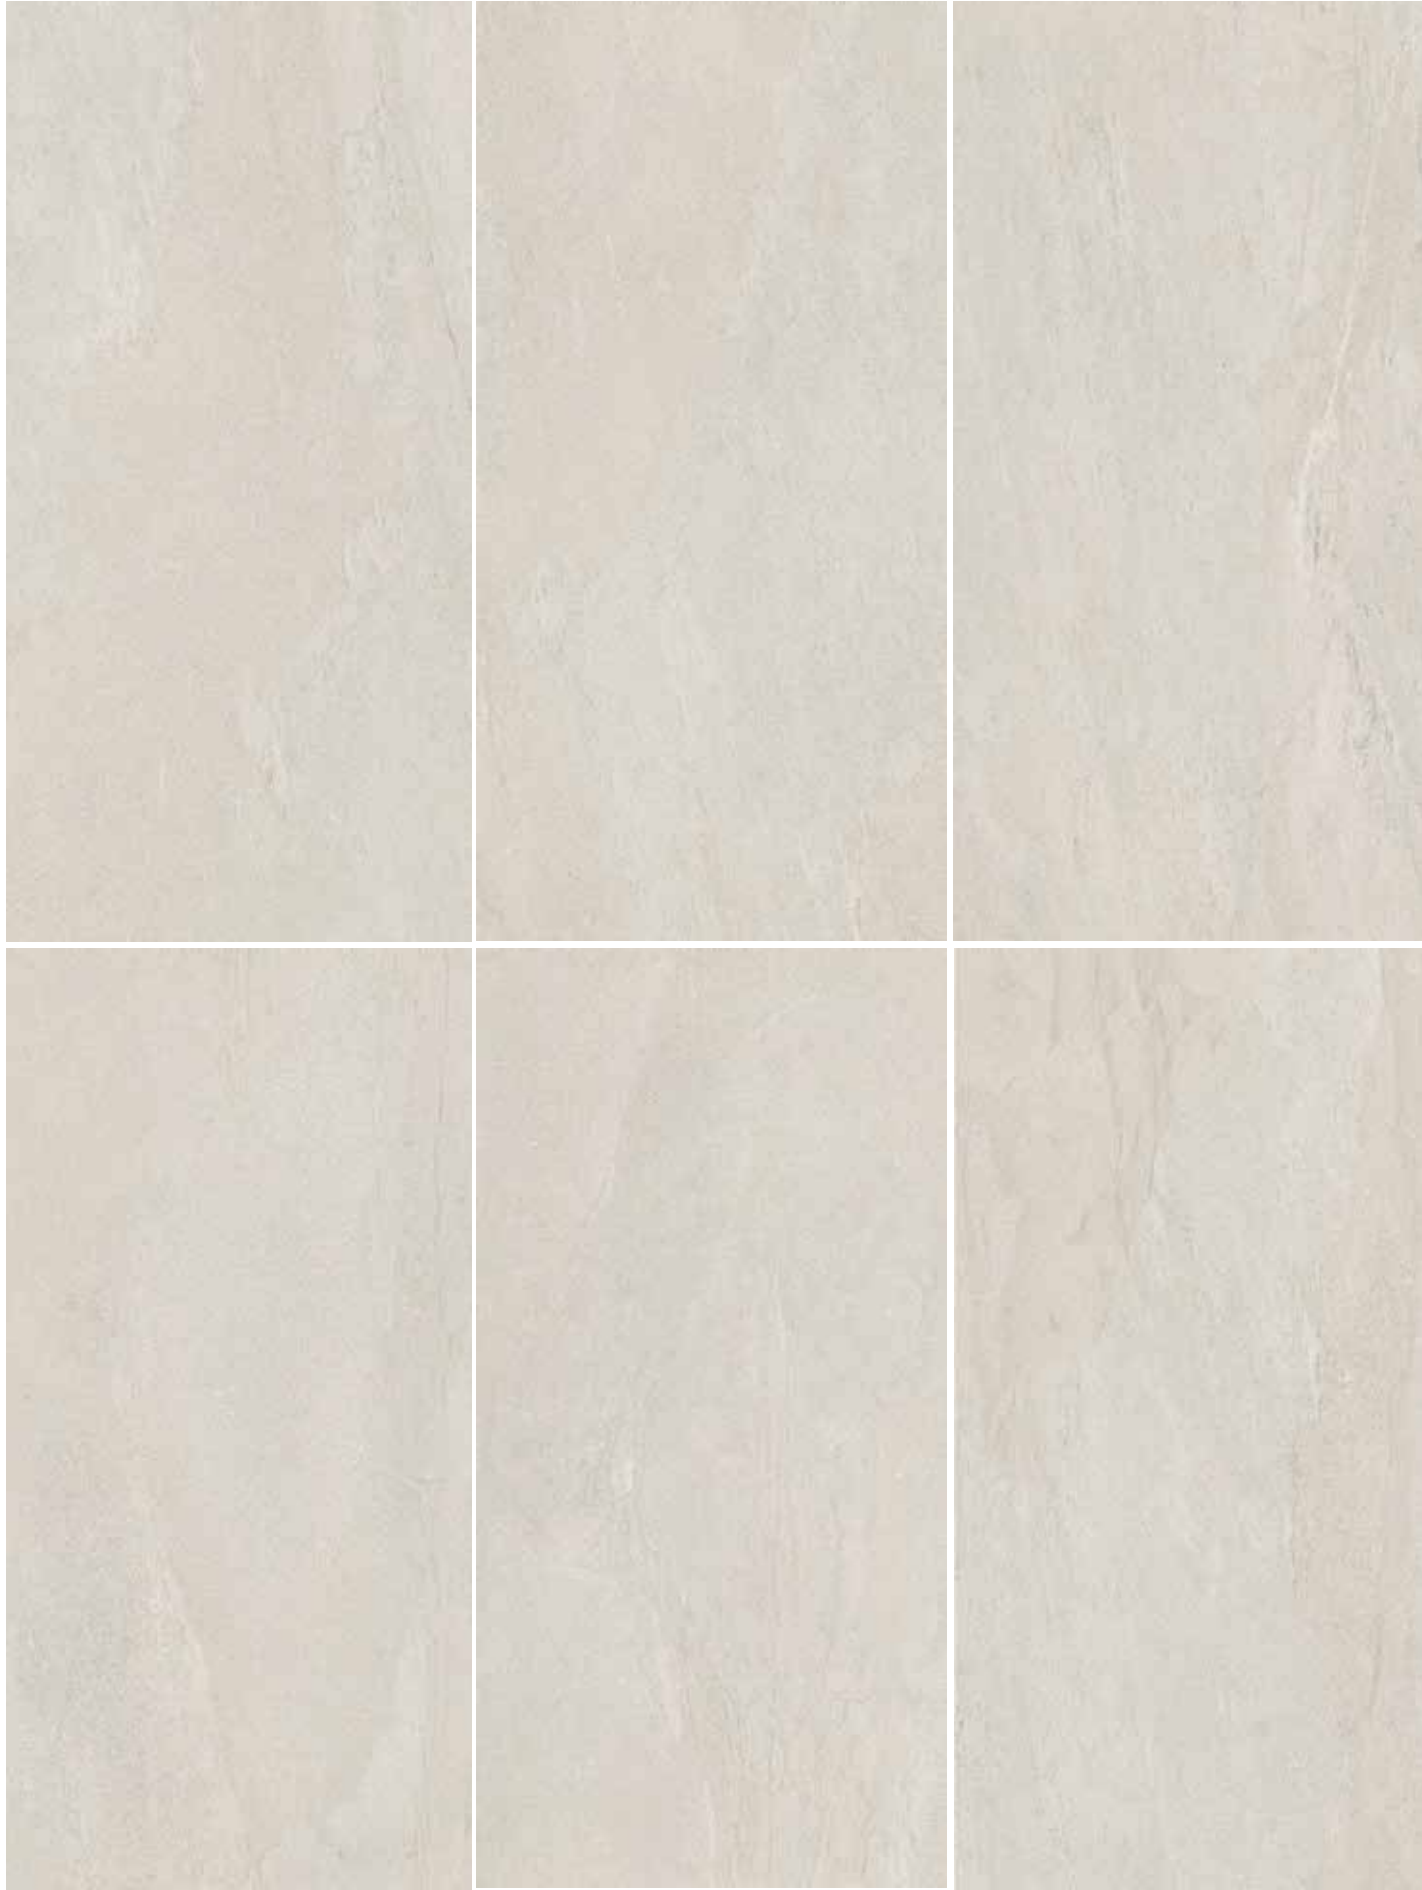

Floor : BELA SAND Matt

BELA

This collection emulates a distinctive type of stone known as Beola, from the Italian Piemonte region. With its myriad of finer details, it makes an eye-catching visual impact. Bela's most distinctive features are its pronounced veins and background marks. Both have been combined to form a unique design, with a strong natural appeal. A captivating collection bound to make a striking impression wherever it is used.

Floor : CLASS BIANCO Matt

Floor : CLASS BIANCO PULIDO

CLASS BIANCO

Class, synonymous with elegance. A sophisticated collection inspired by the purity and beauty of Avorio di Segesta marble. A design characterized by its fine and delicate veining in earth tones that stands out against the creamy background of its surface, resulting in a set of captivating pieces that will beautify any room. Undoubtedly, a delicate, versatile and powerful collection thanks to its two different finishes and its warm color palette.

Floor : PORTLAND WHITE MATT

PORTLAND

Inspired by marine-derived sedimentary limestone, the Portland collection conveys natural beauty and serenity.

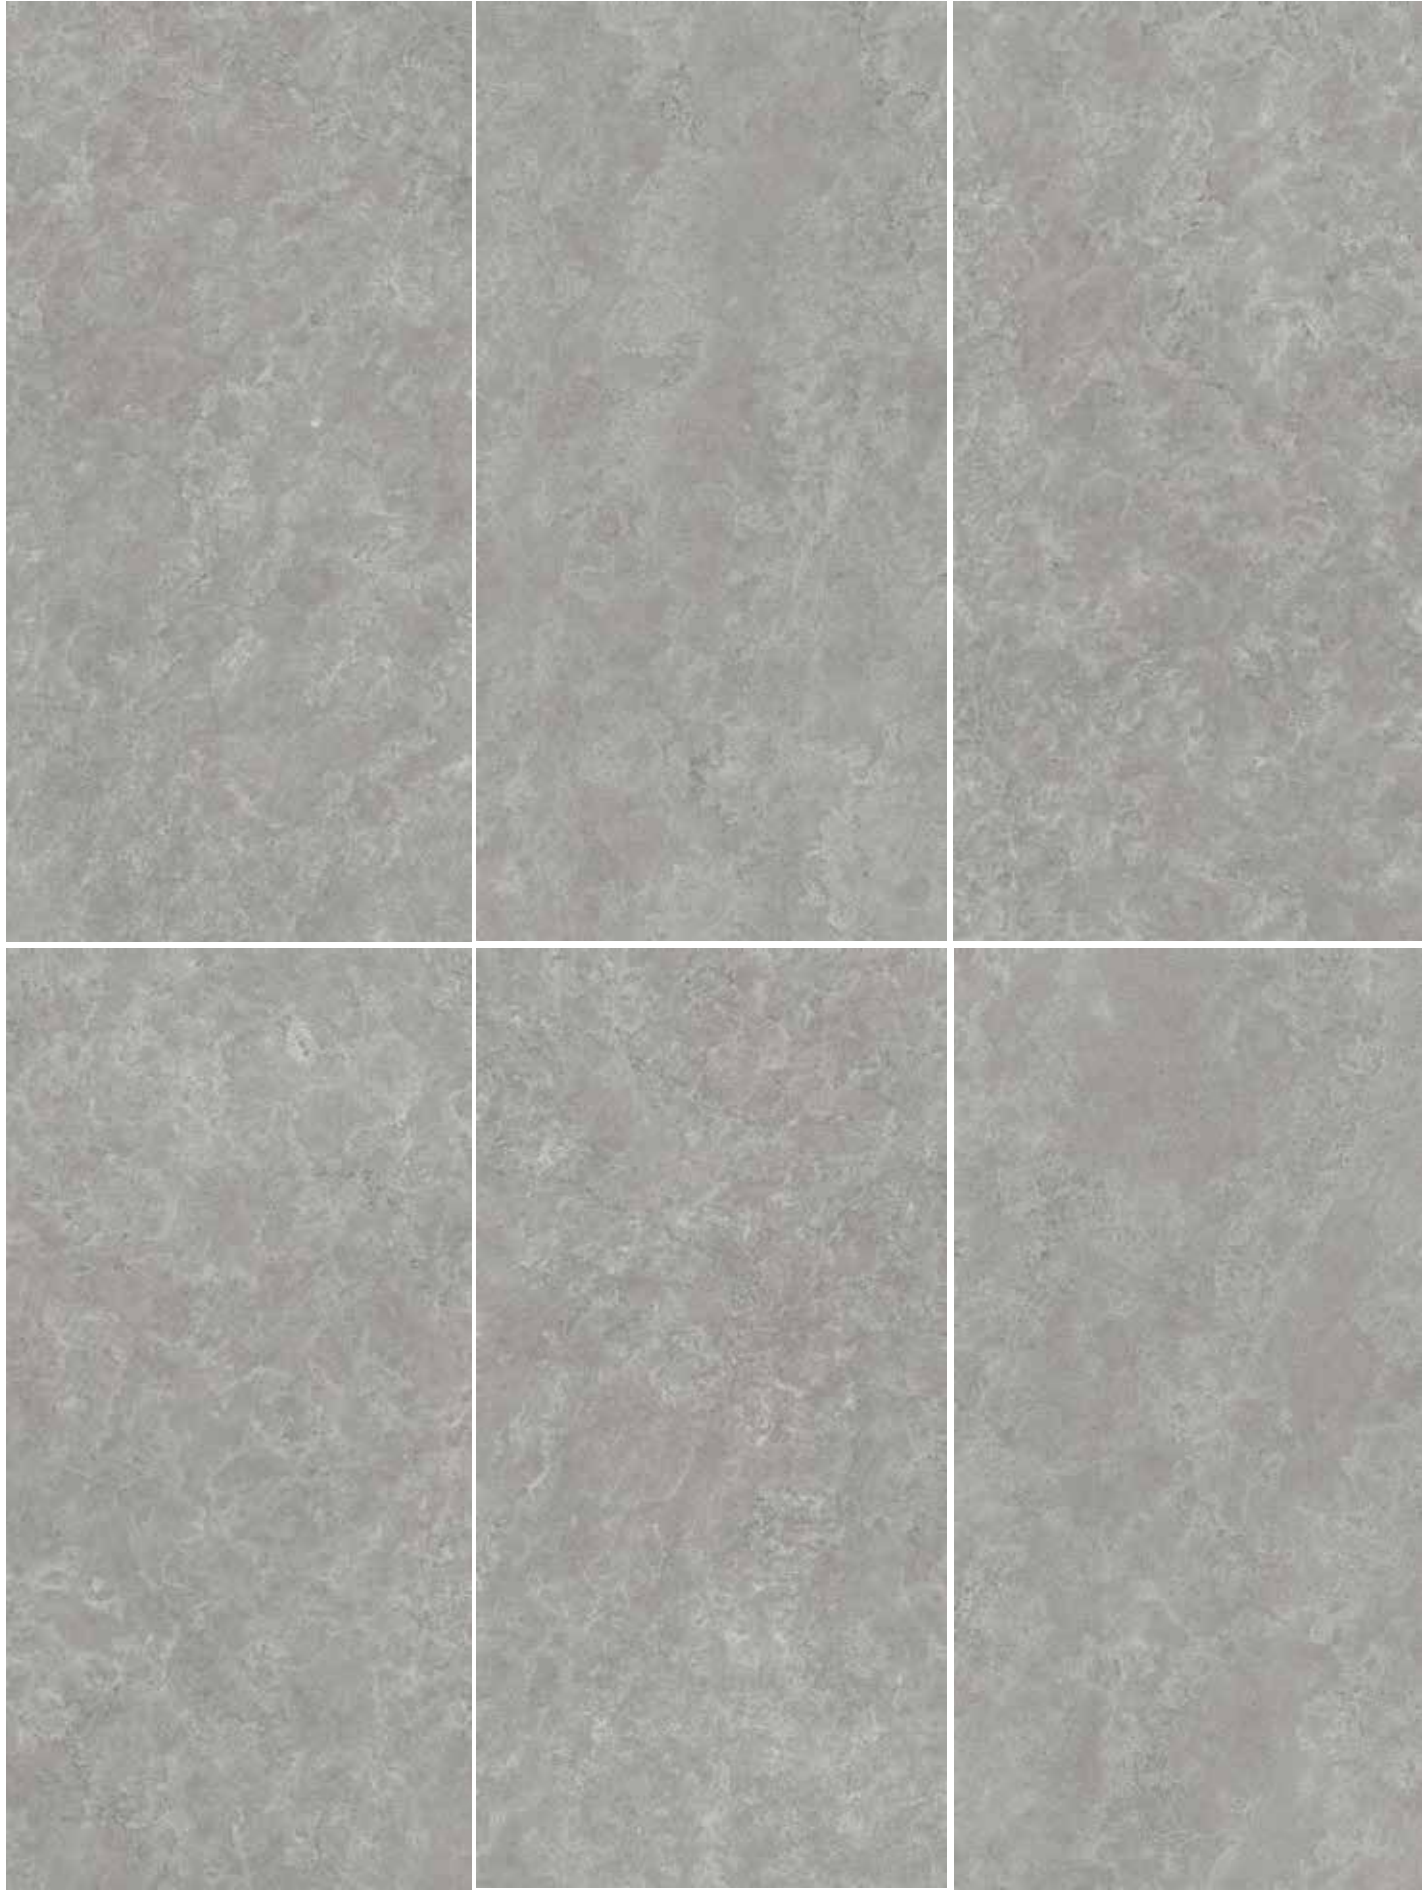

This new design is a modern yet faithful interpretation of the original material. With a uniform beige-grey base tone, this exclusive collection is characterised by a naturally cloudy structure, the arrangement of the mineral sediments in it often reminiscent of watercolors. It has a delicate soft touch that brings a calm and harmonious character to every space.

Floor : EFESO DESERT Matt R10

EFESO

The Efeso collection draws inspiration from the ancient charm of Mediterranean architecture, reinterpreting the essence of limestone in a contemporary way. With its soft, natural hues and delicate veining, Efeso creates warm and inviting spaces that exude sophistication and tranquility. This collection is perfect for those looking to achieve a timeless aesthetic with a modern touch, effortlessly blending tradition with innovation.
