NEW PRODUCT 2026

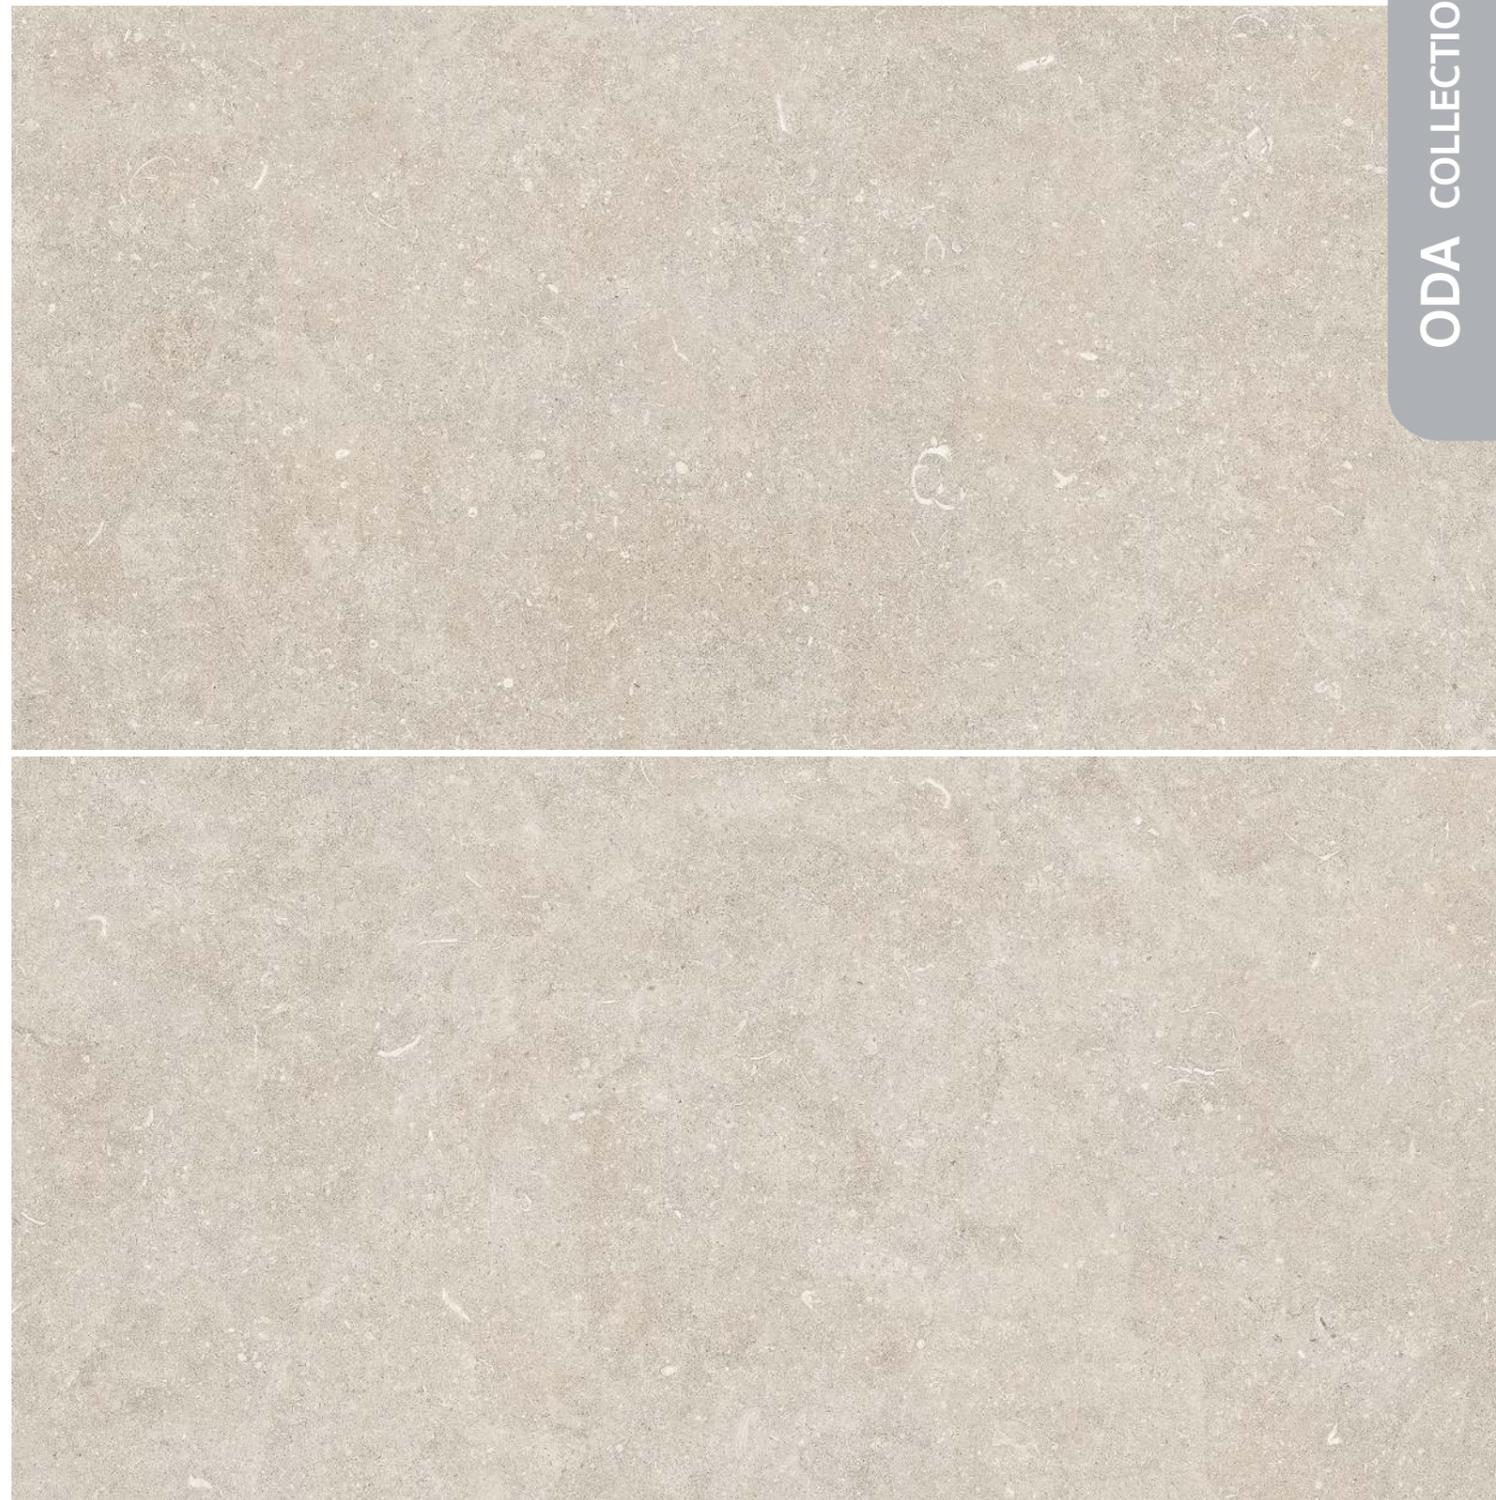

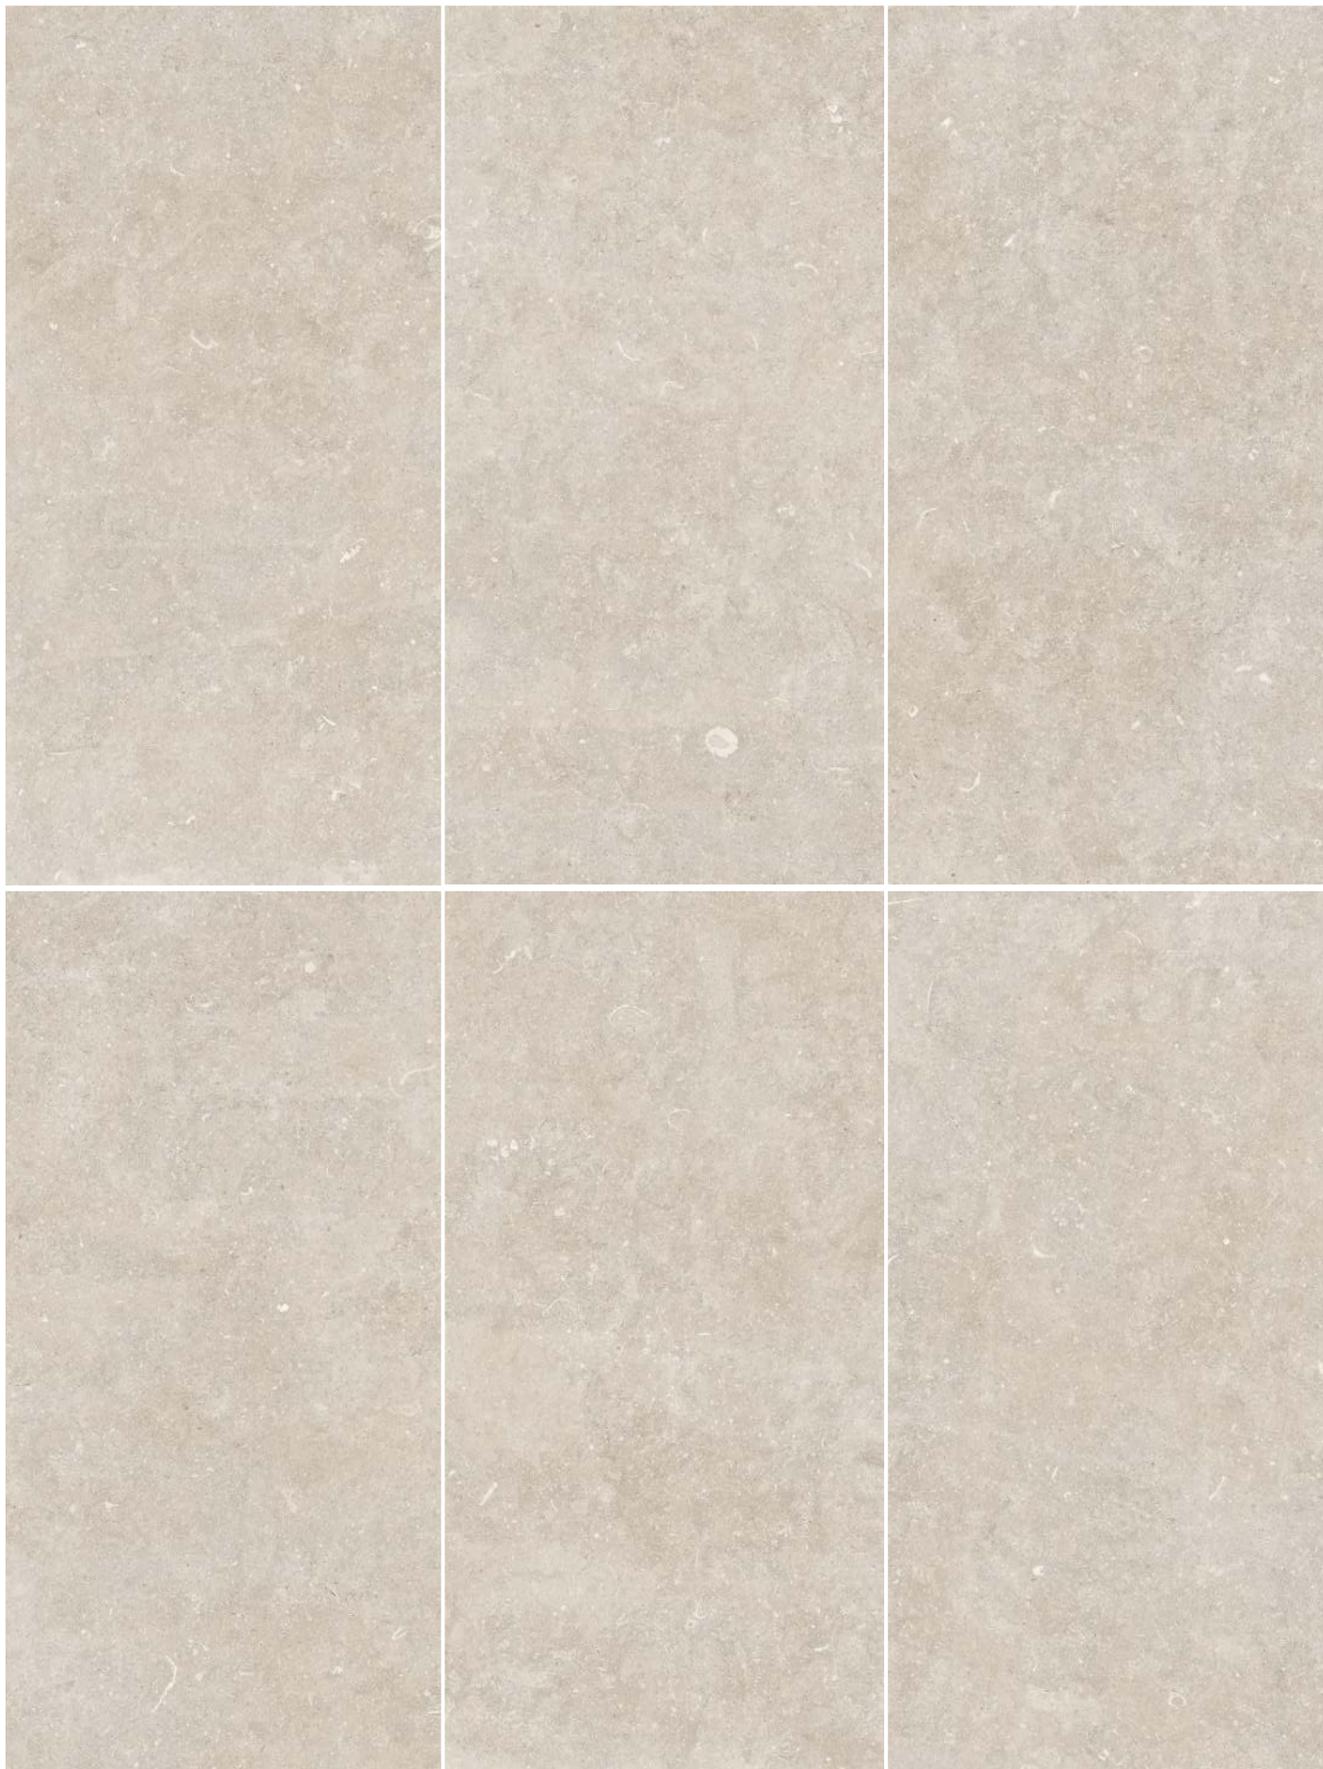

ODA

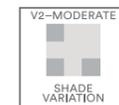

ODA translates the serenity of French stone into a clean, contemporary surface language. Soft tonal shifts and delicate grain create calm, livable spaces with a refined architectural feel. A considered range of finishes and tactile reliefs adds depth where needed, while the neutral palette makes it easy to coordinate across rooms and applications.

MELBOURNE

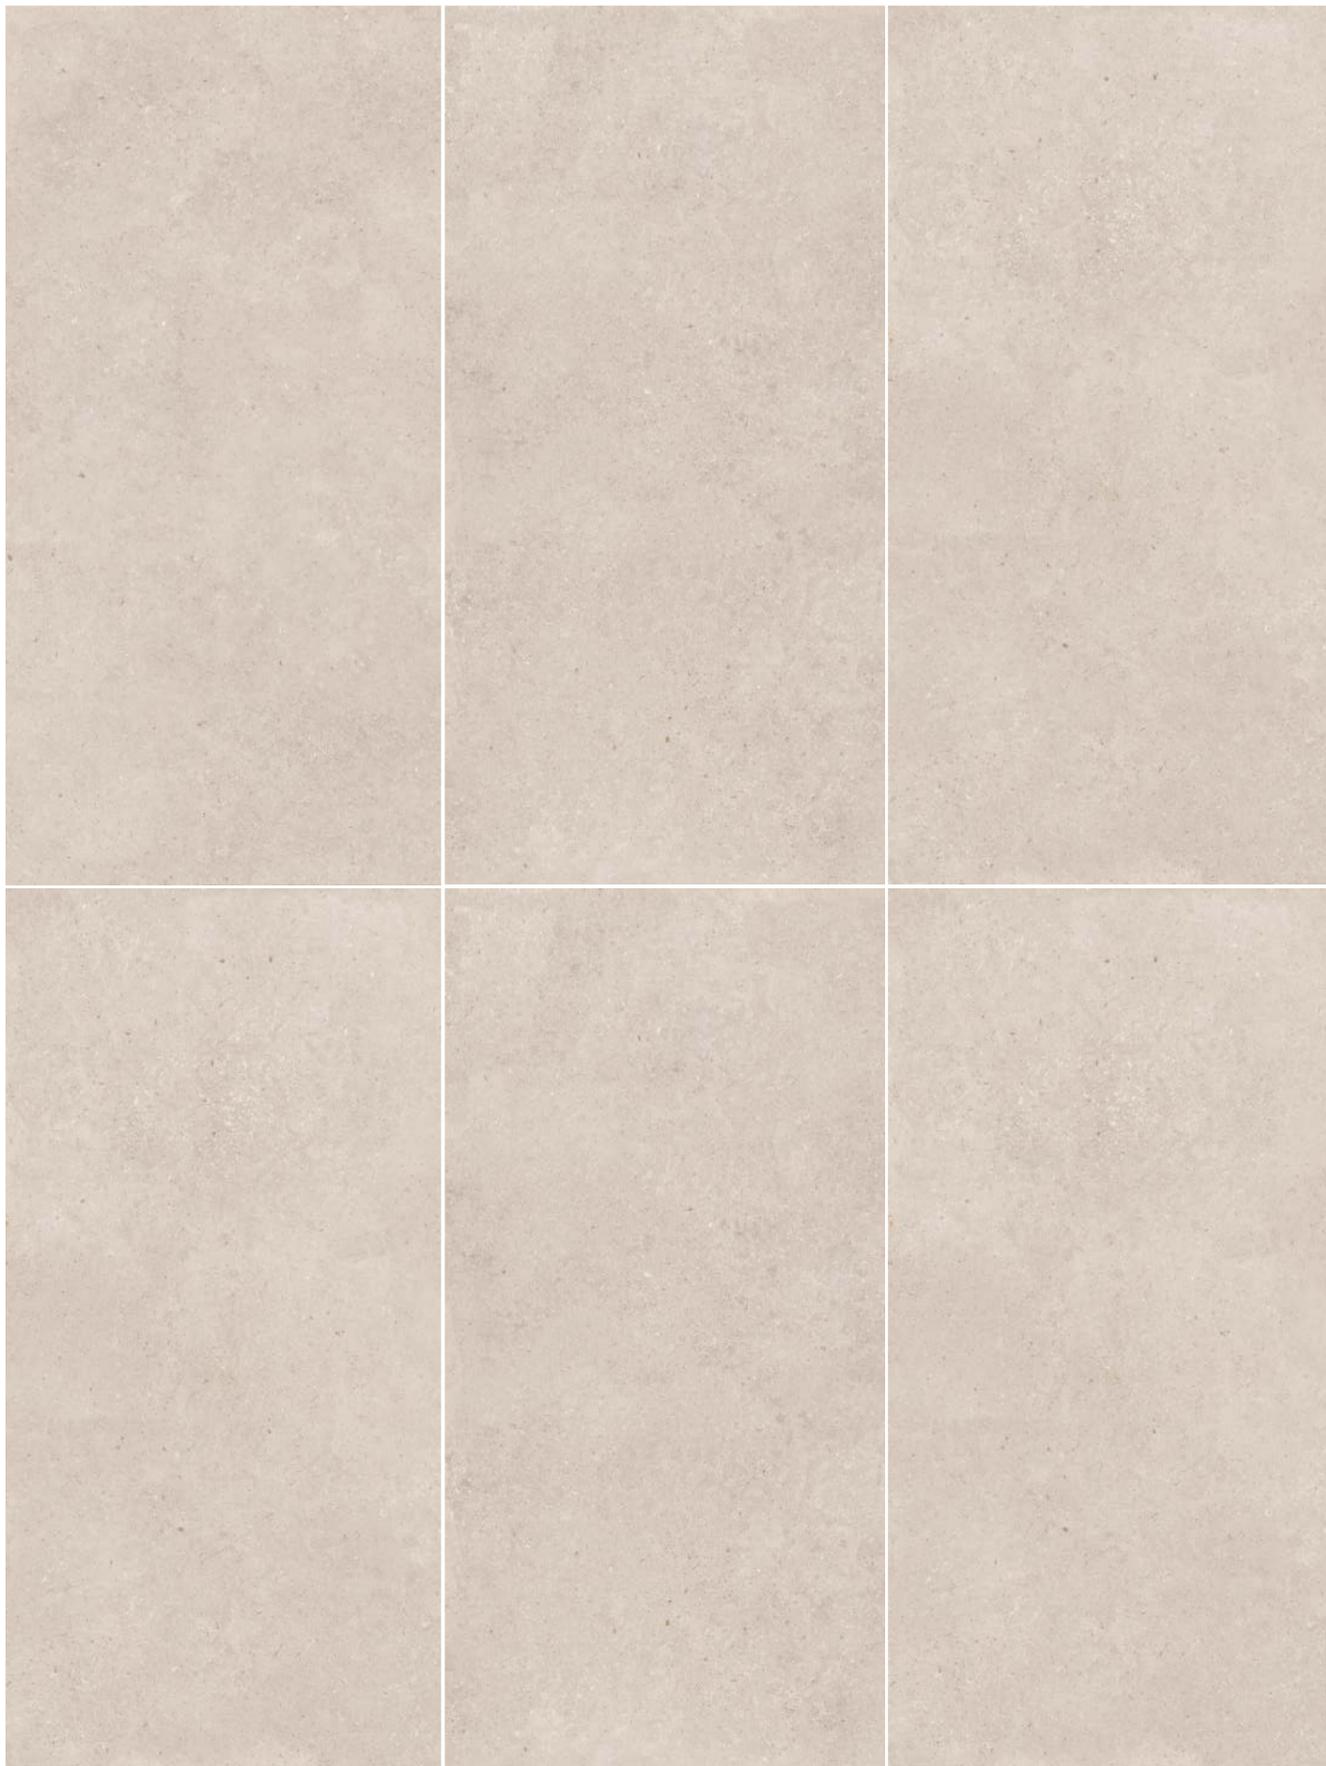

MELBOURNE blends stone and cement cues into a contemporary surface with quiet movement and subtle variation. The look is warm and versatile, creating modern interiors that feel relaxed yet carefully composed. A complete size matrix and anti-slip options support visual continuity from living areas to wet zones and transition spaces.

BELA

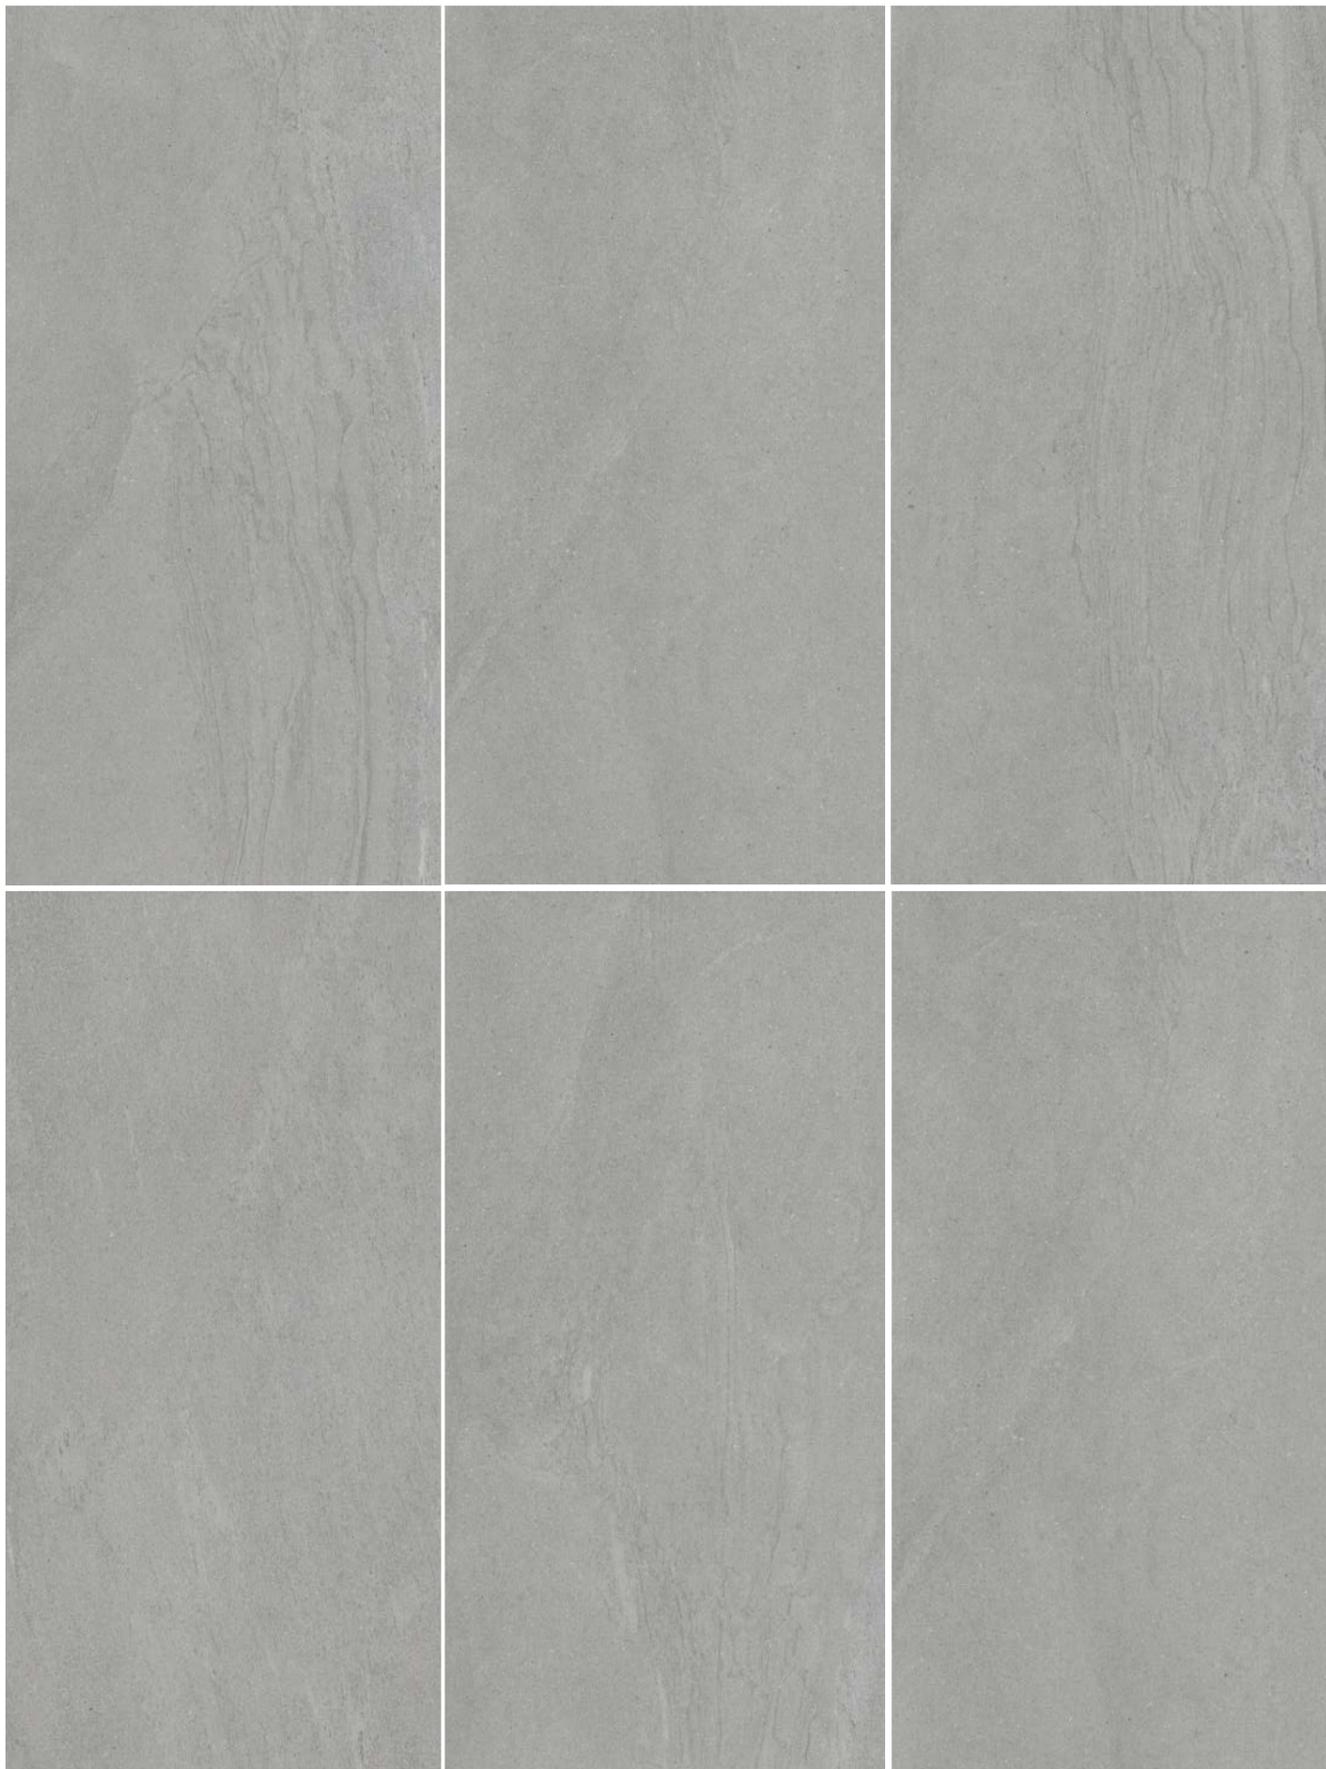

BELA channels the expressive character of Italian Beola stone into a versatile porcelain line. The surface shows nuanced veining and a natural, mineral feel that elevates everyday spaces without overpowering them. A balanced palette and coordinated décor tiles make it simple to design continuous interiors with just the right amount of texture.

ATLANTIS

ATLANTIS captures the calm depth of coastal stone, translating it into a clean porcelain surface with gentle movement and balanced shading. Subtle mineral details and soft tonal variation create a fresh, modern look that feels light and easy to live with. Designed to bring a sense of openness and serenity, ATLANTIS works naturally across spaces, from bright living areas to moisture-prone zones, with a refined, contemporary feel.

ALLEGHE

ALLEGHE is inspired by the sleek character of metal and alloy surfaces, translated into porcelain with a controlled industrial elegance. Fine texture, subtle sheen effects, and layered tonal depth create a sophisticated “metal look” that feels modern but not harsh. Designed for contemporary architecture and urban interiors, ALLEGHE pairs easily with stone and wood looks, adding a clean, technical accent that elevates the overall space.

JATOBA

JATOBA draws inspiration from warm hardwood tones, reinterpreting the character of natural timber into a durable porcelain collection. The surface highlights a refined wood grain with a balanced, contemporary pattern, offering the comfort of wood with the performance of porcelain. JATOBA is made to create inviting interiors that feel warm and timeless, while staying practical for everyday use and easy coordination with modern materials like stone, concrete, and metal.
